Royston, Herts SG8 0LX

The British Lop is the rarest of all native pig breeds and is top of the RBST endangered list. There were only 76 boars and 297 sows and gilts alive in the survey carried out at the end of 2018. Given this situation, and the current market, it is a credit to the breed and to the members that they have managed to produce so many top quality breeding pigs for this show and sale. All pigs entered are fully registered with the Society.

All pigs will be inspected by 2 British Lop Inspectors on arrival.  
The event will be run under National Pig Auction Rules.

**Judge for Show & Sale Classes:** Ms Carole Barr

**Steward :** Mr Frank Miller

**Inspectors:** Mr Guy Kiddy and Mr Nick Kiddy
